

As an air duct fitter you are going to work by a leading specialist in the maritime sector. They provide world-class quality and service in air conditioning, ventilation, central heating, refrigeration and mechanical ventilation, and have supplied over 10,000 vessels worldwide. The no-nonsense and entrepreneurial spirit of the employees who founded the family business in 1965 continues to pervade the company today. At the same time they are always thinking ahead of the curve and come up with genuinely innovative systems and solutions.

## Bedrijfsomschrijving

We have a different range of clients: from small to large, informal to formal. Together we determine what your needs are and ensure the right customer and go for the "perfect match". Are you the airduct fitter we are looking for at Maintec? Don't wait any longer and apply!

## Functieomschrijving

The air duct fitter will carry out all duct fitting activities from work orders and/or technical drawings. Such activities are installing, dismantling, replacing and performing maintenance on air duct systems. These systems are used for transport of air in buildings. The system consists of round piping, flexible piping, hollow tubular sections of steel or plastics. Diameters and/or sizes will vary.

The duct fitter will perform tasks such as drilling, bending, grinding etc. and will construct complete and sometimes complex piping systems.
