

Workplace carpenter

Locatie Zeeland, Terneuzen

https://www.advertentiex.nl/x-1670351-z

As a workplace carpenter you are going to be part of a specialist team in the prefab world. They produce roof elements for a wide range of buildings, like apartment complexes, standalone houses but also luxurious villas. By using good 3D software, the elements are guaranteed to fit together seamlessly. This makes houses with their roofs not only sustainable but also energy efficient.

Bedrijfsomschrijving

We have a different range of clients: frrom small to large, informal to formal. Together we determine what your needs are and ensure the right customer and go for the "perfect match". Are you the carpenter we are looking for at Maintec? Don't wait any longer and apply!

Functieomschrijving

You are going to work together in a team of experienced craftsmen on the production of complete prefab roofs and dormer windowsYou verify if the work orders, materials and (auxiliary) tools complete and safe to use. Any abnormality must be reported immediately to the Foreman / Contractor. You perform autonomously activities such as reading technical drawings, taking care of the dimensioning and assembling roof constructions. After completion you report work orders to the Foreman who will then verify the work for quality standards

Functie-eisen
