Unique custom made electric bakfiets.

- + 4+ kids.
- + Rain cover.
- + 7 speed. (4th gear does not work)
- + Led front lights.
- + Panasonic 24v 250W middle motor.
- + Custom Lithium battery. 24v 60Ah. (3 years old and still %96)
- + Very long range (+100km)
- + Solar panel charges enough battery from April till September. You need to charge battery 2-3 times in Winter.
- + USB C for laptops and USB A charge ports for phones.

Front Bak fits 3-4 steps or 2 small bikes. It is great when kids are annoying at trips. Bak is great for groceries and school bags.

Special Heavy Duty backwheel as i am 100kg, 25kg kid at back seat 4 kids front , large battery and steps.

Loved this bakfiets , we collected lots of memories , picnics , parties and it saved lots of money for us. Kids loved it and my wife hate it for over 3 nice years. Our kids are out growed , now it is for the next family.

It does not attracts bad people. nobody admires it, never worried it could be stolen. Front bak and solar panel does not uses pedelec parts. I have only 100000 km on the motor.
