Locatie **Noord-Holland, Nieuw-Vennep**  
<https://www.advertentiax.nl/x-1677086-z>

Outlander 7-seat automatic, sunroof (schuifdak), leather, touch screen navigation/media system, reversing camera, dual air conditioning control, electric windows, plenty of leg room in the back.

It is a Dutch-origin car and I am the second owner, driving it for the past two years.

Full maintenance history available. The most recent maintenance was carried out earlier this month.

On the left side of the front bumper, there is a small damage as it can be seen in the picture. I chose not to repair it because explaining the fix would be challenging. I confirmed that the fix costs about €300.

Motor vehicle tax (Motorrijtuigenbelasting): €194 - €220 per quarter
