AOC U34V5C/BK 34-inch ultrawide QHD USB-C monitor:

I would like to sell this monitor because I need to leave NL in September ...I bought this in March 2023

- Monitor Size: 34 inches
- Resolution: QHD (3440 x 1440 pixels)
- Display Type: Ultrawide
- Design: Virtually borderless design
- USB-C Port: Yes, for video signal transmission, data transfer, and device charging (65W power delivery)
- Multitasking: Picture by Picture split-screen technology
- Screen Aspect Ratio: Ultrawide for extra screen space
- Blue Light Filter: Included to reduce eye fatigue
- Flicker-Free Technology: Minimizes screen flicker for reduced eye irritation
- Adjustable Stand: Height-adjustable, tilt, and rotate for customizable viewing angles
- Intended Use: Designed for business use
- Compatibility: Suitable for both office and home office environments

Always included:

- Monitor foot

- Power cable
