Nederlands kan wel maar liever Engels.

It is time for my beautiful Ducati Multistrada 1100s to go. The motor is in perfect condition with all the carbon parts + ohlins suspension that come with the S model. Not looking for a quick sell, so I'm not responding to ridiculous offers.

- Maintenance history book available + receipts

Extra:

- Aftermarket exhaust system
- Oxford heated grips
- Handguards
- Usb charging port
- Barracuda bar ends
- Stickers

With the bike you will also get:

- Original exhaust system
- Ducati performance tank bag
