

ipad pro -broken screen (150 EUR)

Locatie Zuid-Holland, The Hague
<https://www.advertentieX.nl/x-1681703-z>

The screen is cracked at two corners but fully functional. I got it second hand but arrived cracked so I never used it. No idea if it has icloud-lock (it shouldn't according to the previous owner).
Sold as is with a case. No.
