ipad pro -broken screen (150 EUR)

Locatie **Zuid-Holland, The Hague** https://www.advertentiex.nl/x-1681703-z

AckvertentileXul

The screen is cracked at two corners but fully functional. I got it second hand but arrived cracked so I never used it. No idea if it has icloud-lock (it shouldn't acording to the previous owner). Sold as is with a case. No.
