Hi,

I'm selling my Surface Pro. It's in excellent new condition. I bought it last November from Coolblue store in Amsterdam. It is still under warranty.

You will also get the Microsoft pen +Keyboard in an all inclusive price. Which otherwise costs additional 300 Euros on top to its current market price of 1850. I will provide Invoice + Original box packaging.

It's a great powerhouse of laptop with ease and compactness of tablet, offers best of both worlds.

Warm Regards
