I am selling this Act from Versus, because I bought a new twintip. This is a great freerider board that I loved to rip the North Sea with. 137x42cm. As per pic, one the strap has a small crack, however it did not cause any problems for me. Otherwise it's in a great state. Pickup only.

Versus writes: The Act is wat ons betreft hèt ultieme freeridersboardje; fijne grip, controle en snelheid met een opvallend lichtvoetige feel.

Natuurlijk zeggen we dat over ons eigen boardje, maar we hadden dan ook de volledige vrijheid om het board op die manier te ontwerpen!

Flex in de tips voor comfort met een gemiddelde rocker voor vervelende chop of golven en botersoepele skaty turns, levendig, speels, altijd!
