

All-round operator assistant

Locatie **Flevoland, Almere**
<https://www.advertentiex.nl/x-1691023-z>

If you feel most comfortable in a production environment, have the ambition to grow and are consistent in your actions, and if you always take responsibility for your tasks to the maximum, then you are the person we are looking for!

Bedrijfsomschrijving

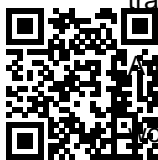

Our client has been involved in the production of cosmetics and pharmaceuticals for several years. The company has recently won new contracts and there has been tremendous growth. At the moment, our client is conquering new markets both in the Netherlands and throughout Europe. The company's growth translates into great development opportunities for its employees. Join us now !!!

Functieomschrijving

As an operator's assistant, you carry out the work assigned by your supervisor. One day it will be to help with production or supervise the line and the next to assist the production staff. Each day, more tasks will await the assistant operator. It is also up to the assistant operator to keep the environment clean and to help other colleagues or work in other departments when needed. As an assistant operator, you will do a different job each day. It is very important that as an operator assistant you realise how much depends on your job well done. Tw2oja's function is to assist the operator in every situation. Depending on your capabilities and commitment, your path from assistant operator to promoted operator is always open for you!

Functie-eisen

experience in production work;very high job responsibility;ability to work two shifts;ability to communicate in English or Dutch at a high level;own accommodation;own transport;willingness to work long term.
