

# Harley Davidson 1971 cone shovel shovelhead complete custom

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentieX.nl/x-1692551-z>

Hierbij te koop mijn persoonlijke pride & joy  
 Bij vele ondertussen wel bekend als "The Anti Christ" zoals te zien in de BigTwin magazine van dec. 2022

Het gaat om een 1971 harley Davidson 1200 cone shovel, compleet gereviseerd blok & bak (2021), verder alles compleet nieuw! Ondertussen staat er misschien 1000km op.

Matching numbers "frame" neck, blok & 4-speed ratchet top bak

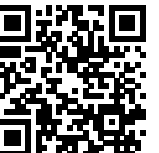

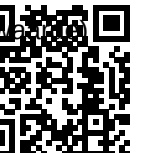

Alles is met de hand gemaakt door zowel mijzelf als vrienden/collega's uit de custom "chopper" wereld.

Alles is nieuw aan de motor, heeft op meerdere show's gestaan in binnen en buitenland.

Op dit moment voorzien van een "normale" hand koppeling en voetschakel, kan eventueel weer terug gebouwd worden naar voetkoppeling "suicide" en jockey shifter. Staat op Nederlands kenteken

Voor vragen graag contact opnemen, bieden word gewaardeerd maar doe dit dan wel zoals je zelf ook zou verwachten naar waarde van de motor.

Taxatie rapport is aanwezig (zie foto's)

|                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |
