15.6inch FHD Gaming Laptop (Lunar Light)

Intel Core i7-10750H 10th Gen

16GB DDR4 RAM

512GB SSD

Nvidia GeForce RTX 2060 6GB GDDR6

With charger.

It doesn't have any problems or signs of use, my only reason for selling it is that I don't need such a good gaming laptop at the moment because I'll start traveling. Used for 1,5.
