Parrot carkit software update

Locatie Overijssel, Kampen
https://www.advertentienl.nl/x-1697142-z

Heb je een nieuwe telefoon of smartphone en lukt het niet deze te koppelen aan je Parrot carkit ?

Krijg je bij koppelen van een (nieuwe) telefoon, de melding 'geheugen vol' of de melding 'no signal' ?

Heb je een andere auto met een Parrot carkit, maar kan je geen telefoon koppelen?

Wil je jouw Parrot carkit laten updaten naar de laatst beschikbare software, zodat deze ook geschikt is voor de nieuwste telefoons ?

Krijg je bij het koppelen met je CK3200 LS alleen een 'P' in beeld i.p.v. een koppelingscode ?

Bij mij in Kampen ben je welkom voor het updaten van alle soorten Parrot carkits. Het kost je veel minder dan een nieuwe carkit of een nieuw onderdeel. En blijkt de update niet de oplossing voor je Parrot carkit, dan kost het je ook niets, ofwel 'no cure - no pay'.

Het is in overleg ook mogelijk om - de hoofdregelunit van - de carkit op te sturen.
Deze update ik dan en stuur hem daarna terug. Dit kost wel € 6,95 extra aan verzendkosten voor het terugsturen als pakketje of € 4,15 voor het terugsturen als brievenbuspakje.

De carkit wordt met de laatst beschikbare updates van parrot ge-update, zodat ook de nieuwere telefoons en smartphones gebruikt kunnen worden met je Parrot carkit.

De updates van alle soorten CK-3000 (incl. Evolution), CK-3100, CK-3200, CK-3400, CK-3500, CK-3600, CK-3700, CK-3800, CK-3900, CK-4000, CK-4100, CK-4200, CK-4300, CK-4400, CK-4500, CK-4600, CK-4700, CK-4800, CK-4900, CK-5000, CK-5100, CK-5200,
