Functieomschrijving

As a workplace carpenter you work together in a team of experienced craftsmen on the production of complete prefab roofs and dormer windows in our factory in Hulst. You receive work orders from the Foreman (such as work plans, drafts and/or instructions). You verify if the work orders, materials and (auxiliary) tools complete and safe to use. Any abnormality must be reported immediately to the Foreman / Contractor. You perform autonomously activities such as reading technical drawings, taking care of the dimensioning and assembling roof constructions. After completion you report work orders to the Foreman who will then verify the work for quality standards.
