

## Kawasaki KX250F KXF 250 2015 (3.350 EUR)

Locatie **Noord-Brabant, Oudenbosch**  
<https://www.advertentiax.nl/x-1699786-z>

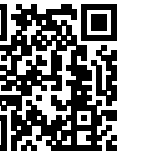

Kawasaki KX250F 2015

Overgenomen van de eerste eigenaar in 2017  
 46,5 uur : 1 klep vervangen en allen gesteld, distributie en zuiger vervangen (zie foto's)  
 79,8 uur : voorvork gereviseerd wegens zweten.  
 Urenteller zit er op vanaf eerste start.  
 Olie en oliefilter om de 9-11 uur, elke winter lagers gecheckt en ingevet.  
 Motor altijd in onderhoud geweest bij Vermijs in Dongen  
 Motor is hobbymatig gebruikt en staat stil sinds augustus 2022.  
 Inclusief handboek en mappings (stekkers)

Bevat veel extra's, o.a. klaphendels, rubber killers, akrapovic titanium complete uitlaat, Haan en extra wielen, carbon schijfrembeschermer, handkappen, Nieuwe set kappen in verpakking, extra set oude kappen, titanium voetsteunen, launch control, 7 liter olie & 3 oliefilters.....

Alles liever in 1 koop (zit ook in de prijs inbegrepen), over de ketting-tandwielset en Haan wielen kan overlegd worden

Kortom: goed onderhouden motor met veel extra's

|                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |
