

## topjoy butterfly E701

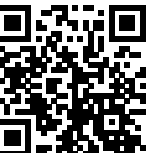

Locatie **Noord-Holland, Badhoevedorp**  
<https://www.advertentiax.nl/x-1704617-z>

Via Kickstarter campagne. E-reader / note device.

Kwaliteit van het scherm valt mij wat tegen. De randen vertonen 'vlekken', die met refreshen van het scherm niet weg gaan. Zie foto's.

Kleurenscherm, 7,8". 64GB opslag. Android gebaseerd, playstore werkt. Inclusief sleepcover en.

|                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |
