

## Volkswagen Golf 7.5 2.0 TSI 245pk 7-DSG 5D (25.500, EUR)

Locatie **Utrecht, Utrecht**  
<https://www.advertentiax.nl/x-1706822-z>

Prachtige Volkswagen golf 7,5 GTI aangeboden.

Auto is ongevals vrij, betrouwbare KM-stand en met leuke opties. Ik heb de auto zelf gekocht bij een KM stand van 77x. Teller staat nu op 140xxx.

Prachtige Volkswagen golf GTI Performance met een sportief geluid!

Bomvol aan opties zoals:

- PANORAMA DAK
- STOELVERWARMING
- Stand kachel
- PARKEERSENSOREN VOOR&ACHTER
- APPLE CARPLAY
- ADAPTIVE CRUISE CONTROL
- FRONT ASSIST
- LANE ASSIST / BLIND SPOT SENSOR (gedeactiveerd)
- 19 INCH OZ VELGEN
- KEYLESS ENTRY & GO
- GETINTE RAMEN ACHTER

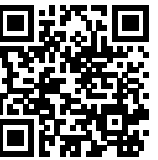

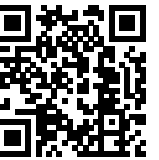

- DISCOVER PRO (grootste formaat scherm)

De auto is in uitstekende staat en wordt verkocht met een garantie van 3 maanden.

De auto is onderhouden en wordt gecontroleerd op vloeistoffen, filters vervangen en olie ververs (checkbeurt).

Recent vervangen:

- NIEUW BANDEN BRIDGESTONE POTENZA
- DSG OIL & FILTER
- MOTOR OIL & FILTER

|                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |
