On 17-10-2023 my SUV is like NEW, he changes timing belt, filter, oil, big service, also on 10-23-2023 it will have new 4 seasons tires

I'm the second owner of this Dutch car which is a beauty of SUV, offering a rarity of style, comfort and luxury rarely found even in the most special brands  
 it is a particularly well-kept car, always taken to the same Peugeot representative where it was bought, it has never been smoked inside, with a very economical consumption, it is a special pleasure to drive and own such a jewel ...

this rarity is equipped with all the full option package, heated leather seats and with massages, sensors and parking camera, front and rear, and many other options that will always bring you great satisfaction

I'm selling it because I want to buy a VAN...

for more details and further information feel free to contact me via Marktplaats

the car is driven daily, so the km will increase

the car must be taken until 10-11-2023, after this date it will not be available anymore

no ridiculous sacrifices, because I don't bother to
