

# Cafe Racer BMW K75, PROJECT IN PRIJS VERLAAGD (1.500 EUR)

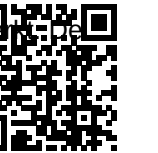

Locatie **Zuid-Holland, Rijswijk**  
<https://www.advertentiax.nl/x-1708558-z>

Met enigszins gemengde gevoelens wil ik je laten weten dat ik mijn geliefde BMW K75 motorfiets te koop aanbied. De reden voor de verkoop is dat ik onlangs betrokken ben geweest bij een ongeval met een andere motorfiets, waardoor ik niet in staat ben om het project af te ronden waar ik aan begonnen was met de K75.

Hier zijn de details van mijn BMW K75:  
 Merk: BMW  
 Model: K75  
 Bouwjaar: 1991  
 Kleur: KTM Orange/ Black  
 Staat: Gedeeltelijk gedemonteerd (alleen nog in elkaar te zetten na vervanging van de starter sprag clutch)

De BMW K75 motorfiets heeft altijd goed gepresteerd en is goed onderhouden, maar na het vervangen van de starter sprag clutch is hij nog niet volledig gemonteerd. Alle benodigde onderdelen zijn aanwezig, inclusief aansluitschemas en volledige foto reportage van alle handelingen, en met wat tijd en moeite kan deze motorfiets weer op de weg worden gebracht.

|                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |
