Beschrijving:
 700472343 – Avaya G650 Media Gateway Cabinet including PSU

The Avaya G650 Media Gateway Cabinet including PSU is ideal for large office environments due to its high level of features. It is part of the Enterprise Gateways Server product range and known by product codes 700472343 and 700394950.

The G650 seamlessly integrates traditional circuit-switched and IP-based telephony networks, providing core telephony gateway services to all endpoints in a mixed TDM/IP environment.
