

## Productie Medwerkers

Locatie **Noord-Brabant, Willemstad**  
<https://www.advertentiax.nl/x-1709743-z>

### Functieomschrijving

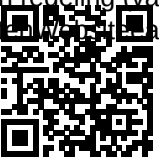

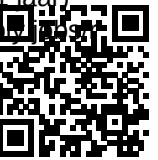

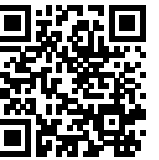

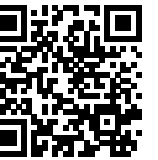

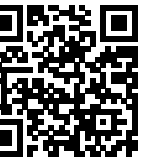

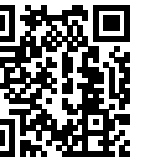

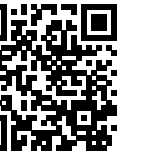

Voor diverse bedrijven in de buurt zijn wij op zoek naar gemotiveerde Productie Medwerkers die meteen aan de slag willen.  
 Ben jij in bezit van je heftruck certificaat of reachtruck, reachstacker , VCA dan is dat een pré maar niet perse noodzakelijk. Klaarzetten van grondstoffen en materialen  
 Bediening van machines  
 Beladen, lossen en uitvoeren van overige logistieke handelingen  
 Reinigen en onderhouden van de werkomgeving

### Functie-eisen

Je bent flexibel inzetbaar in ploegendienst  
 Je weet van aanpakken en kunt goed samenwerken.  
 Ervaring als productiemedewerker of inpakker is een voordeel, maar jouw motivatie is net zo belangrijk  
 Je werkt netjes en houdt je aandacht erbij  
 In bezit van eigen vervoer

### Arbeidsvoorwaarden

Fulltime baan  
 Wekelijks uitbetaald  
 Pensioen regeling (vanaf 21 jaar)  
 Wiskosten / Wskosten / Wskosten

|                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                              |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |
