These kites are looking for a new enthusiastic kite surfer because I have to give up this sport. I was very happy with them and had a lot of fun. They are very light, very responsive and strong kites. If it happens that they fall into the water, it is easy to get them started again. You can see that they are used but they are still in good shape NOT worn out and working perfectly. One dealer writes (I can only agree):
 Beginner to AdvancedGreat for riders looking for a performance delta style kiteShort and simple V3.2 bridleOne pump convenience and super quickExtremely predictableFast SteeringHardcore constructionTunable bar throw and bar pressure optionsWide wind rangeUltra StableInstant Depower

They come with this bar:
 Core Cleat V4 2019 Bar, Bar Maat: 50 - 60 cm
 €569.00
 Factuurdatum: 2020-02-25
 The lines are a bit worn and have to be replaced within about 6 months (209 euro).

One more thing: Airush saves money with the bag with the result that none of the zippers are working. [Websitewww.thekiteboarder.com/2018/07/19/tkb-review-2019-airush-ultra/](https://www.thekiteboarder.com/2018/07/19/tkb-review-2019-airush-ultra/)
