Selling my (1st owner) Yamaha XSR900 2018 - 17800km
Every year maintenance checked at Yamaha dealer. (Just had the 2023 year check done)
Never crashed.

Couple of superficial damages on right mirror, and "engine" cover - see pictures. (Contact me and I can explain better)

I also have the original mirrors.
Please contact me if you have any doubts.

Reason for selling - travelling to my home country in 2024 and staying for a long period, and when coming back in 2025 I'm planning to by a different motorcyle.
