

# 1992 Volkswagen T4 Camper (9.500, EUR)

Locatie **Utrecht, Utrecht**  
<https://www.advertentieX.nl/x-1716827-z>

1992 VW Camper is a converted delivery van. It was converted by a retired furniture maker in 2018. Every item in the van is custom made by hand. A full bed that converts to an eating table and bench seats. A full kitchen with built-in sink and 2 pit built-in cooking stove. Clean water and waste water from the sink contained in removeable jerry cans under the stove. Plenty of easy to access storage above the front seats as well as above the bed in the back. Beneath both bench seats is easy access long term storage. The trunk of the camper opens out the back where outdoor items are easily stored.

Extras include a 2 person passenger seat that rotates to the back of the camper. A mechanical hand powered awning provides dry outdoor space no matter the weather. Bear lock.

Electrical system consists of a a basic battery charged while driving. The DC power runs some lights, water and the fridge. There is AC power when connected to mains that runs larger lights, electric heater, heated floor and 2 standard wall sockets and the refreidgator while.
