Ik heb de autoradio in onze Toyota Aygo vervangen door een ander type en deze originele gebruikte radio nu over. Hij staat anders thuis maar te verstoffen.

Hij is een (zeer) goede staat, krasloos scherm en alles doet het.  
 Dit type heeft ook een aansluiting voor een achteruitrij-camera en werkt als carkit (wat de radio kan is ook afhankelijk van de aansluitingen die in de ontvangende auto aanwezig zijn, er zit overigens geen DAB op.  
 De auto had een tellerstand van ongeveer 45000 km bij vervanging.

Ophalen heeft de voorkeur, verzekerde verzending kan, kosten voor de.
