Dear All,

As a first owner, I am selling a nice car in a good condition without damages - VW DSG AUTOMAT, REAR VIEW CAMERA for easy parking, package with increased clearance and bottom protection for easy passing speed bumpers, blue tooth for picking up calls and playing Spotify/Apple Music from phone, 100+ horse powers - car has all of these and more.

Rubber mats and +set of high quality winter tires PIRELLI FREE. I bought this car as new for personal use in 2018 and brought with me to the Netherlands in 2020 as an expat. Hope you will enjoy this car as much as I did.

If you are interested or have any questions, please feel free to contact me.
