Hey!
 Time to find something else, there for selling sv650 from 1999.
 braided lines in the frontnew brake pads front and backnew brake fluids front and backnew batterynew coolantnew oil & filter (motul 300v)the good rear tire, the front would be good to changenice sound from mivv exhaust (original present)ZX6r rear shockBuddy seatalways starts, no issues, drives great
 All in all solid bike. I would change it for supertwin/stocktwin track.
