Functieomschrijving

As an industrial cleaning worker at night at our client in Oudenhorn, you are responsible for cleaning and disinfection work in production departments in the food processing industry.

Our client shuts down the factory every Friday from 7:00 pm to 3:00 am. During this period, a team of + - 30 people will come to the factory to clean everything.

You will keep yourself occupied with various machines and workspaces where you will use high- and low-pressure cleaners, industrial vacuum cleaners, and scrubber dryers. The machines will also need to be cleaned by hands.
