I'm excited to offer my MacBook Pro 14", featuring 512GB of storage, 16GB of RAM, and the powerful Apple M1 chip. This laptop was purchased by my company in 2023 and given to me brand new in the box. Since I already had a laptop, this one was barely used and is in pristine condition.

## Key Features:

14" Retina display 3024 x 1964 resolution 512GB SSD for ample storage 16GB of RAM for smooth multitasking Apple M1 chip for blazing-fast performance Fingerprint unlock system for security and convenience Loaded with all the best features of Apple

This MacBook Pro is the perfect choice for professionals, creatives, and anyone who demands the best from their tech.

Battery cycle count is at 108 which indicates that the laptop is as good as new. It will be light-speed for years to come.
