

Technical service employee

Locatie Noord-Brabant, Best

https://www.advertentiex.nl/x-1727182-z

Our client coats metal parts! Whether it concerns car parts, supports for truck cabins, parts for stand construction, infrastructure, agriculture, or sheet metal. Or about housings for e-bikes, mounting materials for solar panels or components for the interior or medical industry. As long as it is made of metal, they coat it.

Are you interested in the position as a technical service employee?

Do you feel at home in a production environment? Are you a passionate professional who is able and willing to work energetically, in a dynamic, varied environment working environment? Then you are the candidate we are looking for?

Bedrijfsomschrijving

In 50 years, our client has grown from a small family business into a mature, international, and ambitious organization with about 150 motivated employees. Based on more than 50 years of experience, it also looks to the future. For example, by implementing new techniques and methods, they continuously check whether the processes can be improved, faster and cheaper, and their business park is also constantly updated. But they remained the flat, informal organization of the past. One who has a heart for the people who work for them, the people who work with them. A company with short lines of communication and people who simply work hard for the best result. Are you the candidate we are looking for at Maintec? Don't wait any longer and apply!
