

Ipad 9th Generation 2021 (almost new) with extras (330 EUR)

Locatie **Noord-Holland, Purmerend**
<https://www.advertentieX.nl/x-1729282-z>

Bought this Ipad on August for my university. Now the school wants me to install a software that doesnt work with Ipad, so I want to sell it.

Everything is still in very good condition of course, barely got to use it

Pen, Keyboard, Case is not from Apple, but functions perfectly with it (also cheaper)

One charger for Apple and one charger for keyboard, Pen (USB-C) included

Perfect for.
