The information provided above may not necessarily align with the current features or choices available for the vehicle.

I'm selling my car as I've recently changed jobs and no longer require an extra vehicle. The car is in excellent condition and has consistently received maintenance from authorized TOYOTA dealers. The tires were replaced in 2022 (Michelin), ensuring their relatively recent condition. Some scratches on the driver-side quarter panel are not visible in the image; they can be removed with a.
