

Procesoperator

Locatie **Overijssel, Genemuiden**
<https://www.advertentiax.nl/x-1737369-z>

Are you a starting process operator and would you like to develop further? We have a nice challenge for you!
 You immediately start working as an process operator at a organization where there are many opportunities to grow in the company.
 Let's get to meet each other!

Bedrijfsomschrijving

As an process operator you will work at the Condor Group.

The Condor Group is one of the largest carpet manufactures in Europe with an annual production of more than 130 million m² of textile floor covering.

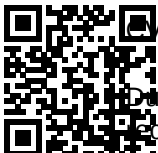

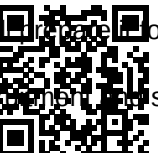

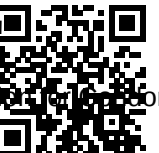

Known under the names Condor Carpets, VEBE, Condor Cartex, Condor Grass, Timzo and Edel Carpets, the Condor Group serves various markets.

They have been in existence since 1992 and are an active producer of floor covering solutions for multiple purposes.

Think of home and office upholstery and even the upholstery of sport fields. During the production process, the production techniques tufting and non woven are the basic.

The production locations are located in Genemuiden and Hasselt.

Are you enthausiastic about the position of process operator? Let us know by clicking apply and we will invite you for a non-obligation meeting.

You will insure that the machines are set up correctly and you will operate them. As an process operator you also ensure that the production runs smoothly and that procedures and instructions are followed. You will also use your knowledge to see where the improvements are, and you will adjust the processes where necessary. At the end you perform quality checks. This function is suitable for both novice process operators and experienced process operators.

Functie-eisen

At least a high school diploma; You need a B driving license; You want to work in shifts (3 or 4 shift); available on Saturdays if needed.
