Honda Civic with Automatic gears, only 44,000 km. It drives beautifully and the automatic shift makes drive in traffic effortless. Still with official warranty, checked and miantained every year. New set of tires changed in October 2023. Runs perfectly, mainly used for taking our son to school and for occasional weekend away now and then. Selling underpriced! Bought directly from the Official Honda dealer. Has only few minor scratches/dents. Extended warranty until
