

Receivable Specialist

Locatie **Zeeland, Hoek**
<https://www.advertentiax.nl/x-1749753-z>

Do you speak English and (Egyptian) Arabic and do you have a Bachelor diploma (preferably in the direction Finance / Business Administration)? Are you experienced in working with customers? If so, read on to learn more about the role of Receivable Specialist at Dow, Terneuzen.

Heb jij de ambitie om Receivable Specialist te worden?

For the role of Receivable Specialist it is important to have a good insight in your customers portfolio and payment behaviors. It is critical to build up a good connection with your customers as well as your internal stakeholders in Invoice to Cash, Customer Service and our Commercial and Financial teams, to be able to tackle any incoming issue or query in a timely, constructive, and effective manner. You don't step away from a problem, but you show to be independent and proactive to ensure the best customer experience. Together with your excellent communication skills in Egyptian Arabic and English, you'll be able to understand our customer's needs, as well as ensure invoices are issued and processed timely and correctly.

As a receivable specialist, you will complete the following tasks:

Serve as main customer contact for accounts receivable matters
 Lead near due and past due collections activities
 Influence customer payment behaviors
 Monitor and release credit order blocks
 Issue correction documents to customers
 Maintain in depth customer account knowledge
 Manage accounts reconciliations
 Waarom werken bij dit bedrijf?

Dow combines global breadth, integration and scale of assets, focused innovation and expertise in materials science, industrial process performance, environmental and chemical and agricultural products. Dow's sustainable growth has contributed to sustainable future for the Benelux. The Dow Benelux team has more than 400 professionals working across nationalities within the process supply chain. The team is focused on developing manufacturing and engineering excellence, health and safety, sustainability, information systems and more. In the Netherlands, Dow has production sites in Terneuzen, Dordrecht and Delfzijl. Dow Terneuzen is the second largest production site worldwide and the beating heart of some of the corporate functions such as the Integrated Supply Chain organisation, Human Resources and Finance that work together to offer sustainable solutions to their partners in Europe, the Middle East, Africa and India.
