

## iPhone XR 128gb

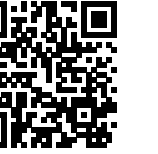

Locatie **Noord-Holland, Hilversum**  
<https://www.advertentiax.nl/x-1752933-z>

iPhone XR met 128gb opslag. In goede staat, wat kleine beschadigingen aan de zijkant (zie foto's).  
 Verkoop in verband met de aanschaf van een nieuw toestel.

Ik heb het doosje er ook nog bij (staat niet op de foto). En een stevig.

|                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |
