I am selling my Macbook Air 2020 M1 model Space Grey edition. It is in perfect condition, no scratch no marks. Looks as good as new. Updated to latest OS. Always neatly handled.

Battery Condition is 100% capacity.

Bought this in August 2021. Selling it because i rarely use it, so don't need it anymore.

Asking price: €699. Non negotiable. If you are a student and have a valid student ID card i can do €650.

Only possible to pick up after inspection at my address.
