Selling this beautiful naked 1983 Honda Goldwing GL1100. With much regret it has to go. The bike has done 70000km which is nothing for these bikes. Beautiful burgundy red paintwork and lots of shiny chrome work.

Bike details:

Lovely metallic burgundy paintwork.

Many chrome extra parts (see photos).

Big screen for easy highway cruising.

Engine starts, runs, shifts perfect and it rides very sweet.

Nearly new front and rear tyres.

Super condition 2 tone seat.

Leather handlebar grips.
