

## Babboe Big City E-bike (850 EUR)

Locatie **Noord-Holland, Amstelveen** https://www.advertentiex.nl/x-1755020-z

Babboe Electric Bakfiests For Sale in Amstelveen

5 years old. But overall in good condition condition with decent performance and seems ready for next owner. The main tyre tube has been replaced last week and the right tyre was changed in May 2023. The battery is in god condition and gives a run of about 25Kms on single charge in normal mode and 15kms in turbo. Suitable for carrying 2-3 kids.

Selling as we are moving back to our home country. Have been using it for past 7 months to pick up and drop my son from school (15 kms daily) and haven't faced any major issues in terms of performance.

Please only genuine buyers get in.
