

Maintenance Specialist

Locatie **Zeeland, Hoek**
<https://www.advertentiax.nl/x-1756989-z>

At Dow we have an exciting opportunity for a Materials Specialist, to join the Fixed Asset Integrity team in Terneuzen, The Netherlands.

As a Materials Specialist you provide technical support to asset owners and the inspection department. In this role you are a valuable contributor regarding reliability, integrity, and safety of our process installations regarding material choices and prevention of failure mechanisms.

We are looking for someone is willing to act as a knowledge carrier and has great willingness to learn.

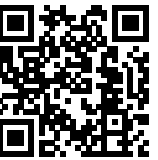

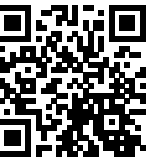

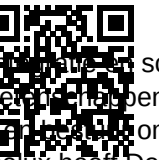

Heb jij de ambitie om Maintenance Specialist te worden?
 Perform examinations and failure analysis for the Terneuzen facilities and document findings in a report.

Participate in root cause investigations with regards to fixed asset equipment damage.

Job scope/package evaluations regarding the choice of materials.

Participate in RBI corrosion study assessments and FMEA's (Failure Mode and Effect Analysis) of different pressurized equipment.

Perform audits on contractor companies.
