

Honda GL1200 Goldwing Interstate (1.200 EUR)

Locatie **Noord-Holland, Burgerveen**
<https://www.advertentieX.nl/x-1770925-z>

For sale 1987 Honda Goldwing GL1200 Interstate. I bought this as a project but I have too many other projects and no time to work on the bike. It has the Aspencade badges on it but it is an interstate due to normal gauges and no onboard compressor . The bike has done 80000 miles (130000km) The engine starts, shifts and rides very nicely but the body work is in need of some care and attention.

Bike details:

Burgundy and black paintwork.

Stainless steel exhausts.

Engine starts, runs, shifts very nicely.

Nearly new front and rear tyres.

No rips or splits in the seat.

The screen could do with replacing.

There are a few scratches and marks on the paintwork.

Very good work, in a great condition could be used for any work or trips around
