

Machine operator

Locatie **Friesland, Sint Nicolaasga**
<https://www.advertentiex.nl/x-1772137-z>

Do you want to work with ice cream from various brands daily in the Netherlands and beyond its borders? How about receiving free ice cream at home every week? Can you adeptly operate and troubleshoot machines? Do you speak Dutch? If so, this job is perfect for you! Quickly press the application button!

Bedrijfsomschrijving

The client specializes in the production and distribution of ice cream. They create the most delicious ice creams, reaching over 20 countries in Europe and beyond. Their clients include retailers, importers, and other ice cream producers. By actively using specialized knowledge about products and the market, they create development opportunities for their clients, which also translates into their own growth!

The team consists of 170 employees working together to create the best product for customers. Your colleagues are practical, friendly people who will gladly welcome you and teach you everything you need to know. At the client's company, you can expect them to do everything in their power to train, support, and offer numerous opportunities for advancement.

Functieomschrijving

As a machine operator, you will work in a growing company specializing in ice cream production. You play a crucial role in the production process, ensuring that machines are well-stocked with packaging and sticks. You will also ensure that products are properly transported to their designated locations using a pallet truck. The machine operator is responsible for maintaining hygiene and quality. You will work in a 5-shift system, meaning you work for 6 days and then have 4 days off.
