

## Volvo V70 2.4 2002 Zwart LPG G3 (3 EUR)

Locatie **Zuid-Holland, Rotterdam**  
<https://www.advertentieX.nl/x-177383-z>

Wegens verhuizing dichterbij werk bied ik aan onze:

VOLVO V70 2.4 LPG 2002 289.000km

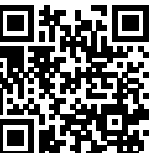

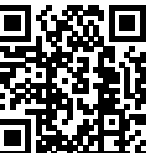

APK tot juni 2015.

Bij ons heeft de auto goed dienst gedaan als betrouwbare gezinsauto, maar vanwege bovenstaande redenen nemen wij toch afscheid van hem. De auto heeft zijn beurten gehad bij merkgarage en kan nog voor vele jaren rijplezier zorgen.

Recent vervangen:

- Accu
- Dynamo
- Stuurbekrachtigingspomp.
- Banden voor
- LPG pomp
- Condensator Airco
- Compressor Airco

Bij interesse mail of bel even.

|                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |
