North Navigator bar  
 - no reoperations, perfect condition, used for 4 sessions

The Navigator Control System connects you intuitively to your kite, using industry-leading SK99 Dyneema lines from Liros for precise performance. With faster, safer release and intuitive single-action reload in all conditions, the Connect Quick Release and leash now complies with ISO Standard 21853:2020. Available in three sizes, the Navigator's refined ergonomic design offers durability, comfort and tactile control. Knowing your kite's position just became second nature.
