

## Aprilia RS 660 A235kw (11.000 EUR)

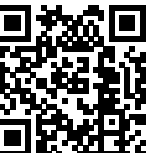

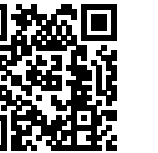

Locatie **Zuid-Holland, Alblasterdam**  
<https://www.advertentieX.nl/x-1793450-z>

Het gaat hier om een hele mooie Aprilia RS660 in de kleur apex black.  
 Op de motor is op dit moment een seat cover gemonteerd, voor een extra sportive look.  
 Daarnaast is het achterste tandwiel met bijbehorende ketting vervangen voor een lichtere en sterkere variant met meer tande wat het optrekken sneller maakt.  
 1000 kilometer geleden zijn er nieuwe banden onder geplaatst, daarnaast is ook de rem olie (voor & achter) ververst.

Bij de motorfiets zitten ook het passagierszitje en de orginele spiegels.

Overige accessoires:

- Stealth downforce spiegels
- Hoge puig kuipruit.
- aftermarked remhendels
- Sportieve passagierzit cover
- Superlite RSX-R 47 tands achter tandwiel
- DID 520 VX3 masterlink ketting (Goud)
- ABS
- Cruise Control
- Quickshifter Up & Down
- 3 Rijmodi, waarvan 1 volledig zelf in te stellen is

|                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |
