Cylinderinhoud: 1998 cc  
Vermogen: 150pk  
APK datum: 24-5-2024  
Kleur: Grijs (steel grey)

Bijzonderheden  
Zeer mooie Saab 9-3 cabrio in de Anniversary uitvoering. De Anniversary uitvoering vertaalt zicht in het mooiere leer en de meegespoten exterieur delen. Ook de uitrusting is prima in orde. Dit betreft een van de laatst geproduceerde van deze model reeks. Het dak is in prima staat en de auto rijdt goed.

|                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |
