I would like to sell my monitor. It is almost 2 year old, but looks like a new and working perfect. The reason is why I would like to sell, I don't need this 32 inch for my work, I bought 2 smaller. It is perfect for work, photo editing and gaming too. New price was 380€.

Technical specification:

4K resolution, curved 32" (80cm) VA LCD panel with Ultra Wide Color 10bit,120% Srgb. adaptive sync, 60Hz,140 PPI, 2x HDMI 2.0, stereo speakers, response time 4ms, VESA ready. I don't send it, only in meet or I take it to your home after deal. In price is delivery too, to your home anywhere in.
