I am selling my beloved mt07 because of switching to a sports bike.
It is a german bike so the bpm needs to be done (that is around 800/900 €)
It is standing in Amsterdam and can be picked up there.
The maintainace has always been done and the german TÜV is fresh since may.
The tires are pretty new (Pirelli angel gt2)
All changed parts have got official papers including pacing it down to 48hp (wich can be oped back to the original 70 easily)
It has always been reliable and never made any problems.
Comes with a cover:)
