

# Suzuki Alto 1.1 16V 5d AGS 2004 Blauw (1.495, EUR)

Locatie Gelderland, Wehl  
<https://www.advertentiex.nl/x-1801879-z>

Nette auto  
 apk tot 16-12-2024  
 Banden voor liggen er een jaar op nieuw.  
 nieuwe schokbrekers voor.  
 nieuwe remleiding achter  
 nieuwe multi riem.  
 Nieuwe katalysator.

ik verkoop deze auto omdat deze aan de kleine kant is en iets meer comfort wil .  
 ik heb er twee jaar met plezier en zonder problemen mee.

|                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                   |
